FILM STARS DON'T DIE IN LIVERPOOL

Based on Peter Turner's memoir, *Film Stars Don't Die In Liverpool* follows the relationship between Turner (Jamie Bell) and the eccentric actress Gloria Grahame (Annette Bening) in 1978 Liverpool. What starts as an affair between the femme fatale and her young lover quickly grows into a deeper relationship, with Turner being the person Gloria turns to for comfort as their passion and lust for life is tested by events beyond their control.
