

Sony Pictures Classics is proud to present the following for your consideration.

FOXTROT

Michael and Dafna experience gut-wrenching grief when army officials show up at their home to announce the death of their son Jonathan. Michael becomes increasingly frustrated by overzealous mourning relatives and well-meaning army bureaucrats. While his sedated wife rests, Michael spirals into a whirlwind of anger only to experience one of life's unfathomable twists — a twist that can only be rivaled by the surreal military experiences of his son.
